

WHAT OUR CLIENTS SAY...

I needed a stop gap office until our new office was vacant. UBC fitted the bill and they sorted everything out with no fuss. The service has been exceptional, providing a professional and impressive image to all of our customers. From the moment we moved in **WE DIDN'T WANT TO LEAVE!**

We cancelled the lease on the building we had chosen and have never looked back!

Philip Bevington, Kabooki, Birmingham

... you spoiled the ITU Media folks – who are themselves uttering **"BEST EVER"**, which is a rare thing coming from them. Thanks for all you did to bring the live coverage from Salford to the world... **I CAN'T IMAGINE A BETTER PLACE.**

Well done all at Digital World and we will definately be back next year ...

Loreen Barnett, International Triathlon Union, Manchester

We needed to locate professional offices at short notice and we chose UBC largely because of the friendly reception from all the staff. We are a small client but they took time out to **MAKE US FEEL WELCOME.** Our decision to go with UBC has proved a big benefit to us as a new business with the many facilities available and the friendly call answering to our customers, making us feel part of a bigger company. We have to FedEx a document to our parent company in Florida each Wednesday. If nobody from our company is in that day UBC do it for us, which makes a real difference. **UBC STAFF CONTINUALLY GO OUT OF THEIR WAY TO HELP US.**

Robin Halliwell, T3 Technologies UK, Birmingham

“As a small company, UBC’s all inclusive package meant that we were able to concentrate on running our business rather than worrying about the office infrastructure.

Aspacious office, broadband internet access, meeting rooms and **FRIENDLY WELCOMING STAFF** have made moving into UBC a real benefit to our company image.

The variety of businesses within the UBC offices around the country has also provided us with **VALUABLE NETWORKING** and business promotion opportunities, which has helped more than double the size of our company.”

Kieran Prescott, Real Point Design, Birmingham
