

WORLD CLASS CONFERRING IN MANCHESTER

united business centres

MANCHESTER

DIGITAL WORLD CENTRE

UBC's Digital World Centre is at the cutting edge of design and specification. These world class facilities provide a great location for your next event, conference or meeting. This landmark building has a unique waterfront location at Salford Quays, where business and leisure combine to provide one of the most exciting developments in the UK.

The Big Event

With its modular design, excellent facilities and dedicated staff, the Digital World Centre is ideal for hosting your next big event. We can match your exact requirements with capacity for up to 200 delegates and a wide range of layouts available including a custom built auditorium with tiered seats for 100 people, each with their own writing tablet and with built-in data projector, screen, microphones, video conference system and surround sound PA system. Your event will be stress free, with our experienced team on hand to help you through the whole process.

Facilities

With conference packages available to suit all budgets, the nine flexible meeting rooms can accommodate everything from an interview with two people up to 180 in theatre style. Due to our soundproof wall system, we can create individual rooms tailored for any event or the walls removed to create 250 Sq metres of open plan exhibition space. A mobile Video Conferencing Unit is also available and all our prices include AV equipment (where available) and broadband internet connection as standard.

Location

The Quays plays host to some of the largest businesses in the UK as well as boasting unrivalled shopping at The Trafford Centre, lively theatre and art galleries at The Lowry and the legendary Old Trafford, home of Manchester United Football Club. Many restaurants, bars, general shopping facilities and a fitness centre are also located nearby. Your delegates will always have something to keep them occupied should they find themselves at a loose end in the evening, as city centre Manchester is only 10 minutes away by "Metrolink".

"UBC have handled our meeting and conferencing requirements to the highest standards. They are extremely pro-active, with impeccable attention to detail. The meeting rooms and conferencing facilities are second to none and cannot fail to make an impression. I am extremely confident in UBC's ability to organise our events and I highly recommend them. Their professionalism, co-operative and friendly approach make them a pleasure to work with."

Shafia Khatun, MIDAS, Manchester
